

WHEN HEADS ACHE

It is nature's signal that something has gone wrong with the nerves, stomach and liver. Do not neglect it and do not use a remedy that relieves the headache at the expense of the heart or nervous system. Such makeshifts relieve temporarily but produce worse troubles than the original one.

Ramsey's Headache Elixir

Is a remedy that does more than relieve the headache—it cures. Cures it without disturbing the heart or any other organ and leaves you feeling better than before the headache began.

MONEY FOR NORTHWEST

ARRANGEMENTS MADE FOR THE MOVEMENT OF THE CROPS IN THE NORTHWEST.

Washington, D. C., Nov. 6.—Representative Scott on Kansas discussed the financial situation today on leaving the white house and was optimistic as to the present and future conditions.

He pictured the state of Kansas as being in an entirely safe and prosperous condition, the only regrettable feature being that Kansas bankers had taken too much Eastern paper and now they wanted to realize on it, they were unable to do so.

However, he says the state has enough money to move its crops and he does not believe the pinch will be felt there.

In Good Condition. By Associated Press.

New York, Nov. 6.—Following an extended conference at the home of J. Pierpont Morgan by prominent New York bankers, the following statement was issued showing the final settlement of the difficulties that have disturbed local financial conditions:

"A committee, representing the trust companies of New York city has had access to the Trust Company of America and Lincoln company which have been examined by experts, who reported that in their judgment, on the present basis of values, the assets of each company are ample to pay depositors in full. It has been so arranged that a majority of the stock of each company shall be placed under the control of a committee composed of Edward King, president of the Union Trust company; Sheldon, president of the United States Trust company; Waterberg, president of the Manhattan Trust company; Castles, president of the Guarantee Trust company, and Walker, president of the Central Trust company, who will act in an advisory capacity, and the necessary financial arrangements have been made to enable both companies to proceed with their business.

(Signed) EDWARD KING, Chairman of the Committee of Trust Companies."

FOR CONFEDERATE HOME

SUB-COMMITTEES NAMED TO SECURE FUNDS TO BUILD HOME.

Four of the six members of the Confederate Home arrangement committee met in Ardmore Saturday afternoon and appointed sixteen sub-committees to work with the original committee in soliciting funds for the building of a home for Confederates in the state.
